

## 2005 & 2006 BIGHORN SHEEP HUNTING SEASONS

- Only bighorn sheep rams having 3/4-curl or greater horns or exceeding four years of age may be taken in any hunt open for rams only.

Determination of a 3/4 curl shall be made from a side view of the head. A ram shall be considered 3/4 curl if an imaginary straight line extending downward from the front of the base of the horn through the center of the eye socket intersects any portion of the horn.

Any hunter taking a bighorn ram must leave that portion of the skull plate containing the upper one-half of the eye socket naturally attached to both the horns until after the horns have been pinned by IDFG.

### MANDATORY CHECK AND REPORT REQUIREMENTS

Any hunter killing a bighorn sheep ram must present the horns to an IDFG regional office within 10 days of the date of the kill. *The IDFG headquarters office is not equipped to check in "mandatory check" species. In the Boise area, these animals can be checked at IDFG's volunteer office at 109 W. 44th St. in Garden City, between 10 a.m. and 3 p.m. weekdays.*

**Successful hunters must complete a big game mortality report, available at IDFG regional offices, within 10 days of the date of the kill.**

A hunter may authorize another person to comply with the above report requirements if that person complies with those requirements and possesses the necessary information to accurately complete the form.

**Unsuccessful permittees must present or mail their unused tags to an IDFG office within 10 days after the close of the season for which the tag was valid. Cancelled tags will be returned to the hunter upon request. Failure to report may result in future ineligibility in bighorn sheep drawings.**

### MANDATORY TRAINING

Anyone drawing a sheep permit must view a short bighorn sheep video at an IDFG office before hunting bighorn sheep. Attendees will be issued a certificate of completion that must be carried by the permittee during the hunt.

The video is available at IDFG offices between 8 a.m. and 4 p.m., Monday through Friday, except holidays.

Any hunter who will be with an Idaho licensed outfitter or guide at all times while hunting sheep may choose to have the outfitter or guide attend in the hunter's place. This option may be accomplished by notifying IDFG, in writing, the name, address, and phone number of the designated outfitter or guide. Notification must be sent to the Idaho Department of Fish and Game, c/o Sheep School, P.O. Box 25, Boise, Idaho 83707 and must be received by IDFG prior to attendance by the designated outfitter or guide.
